

The Safe

A place to be family

Working Parents Group

Are you feeling a bit left out of the parenting scene now that you have returned to work?

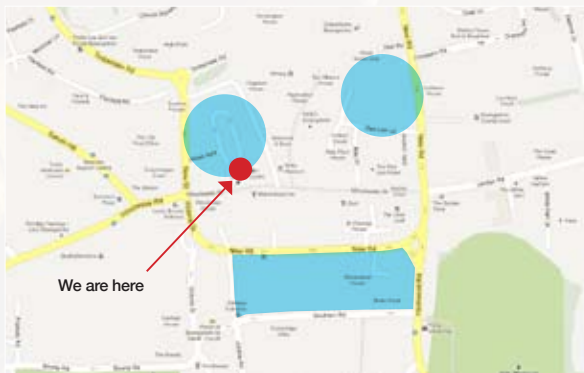

Are you finding it hard to meet parents, with a similar lifestyle to you, with whom to share your parenting experiences?

Would you like to meet other parents in a similar situation to you?

Why not come along to our Saturday morning group, a parent and child group designed especially for you with arts and crafts, toys to play with and most importantly coffee and chat with likeminded people.

Pop in between 10-12 and enjoy a coffee and a chat whilst your kids have a great time playing and meeting other children in our purpose designed building.

10-12pm the second Saturday of every month
